Beverages

Pay on Consumption

At Middels all beverage options are charged on consumption. Select any of the beverages and be charged for quantity consumed during your event. With the additional option to restrict the available drinks on offer. Example, have simply house wines, beers and soft drinks.

Bar Prices

Simply leave all drinks at regular bar prices for guest to purchase upon request.

Subsidised Prices

At Middels we also allow you the opportunity to subsidized your beverage costs. Why not allow your guest to pay \$2 or \$3 per drink and simply cover the difference. Not only does this method save your budget but keeps the drinks prices heavily reduced for your guest.
