SIZES AND OPTIONS

Cupcakes From cookie monster to pretty pastels colours, packs of cupcakes are a very trendy and are becoming a popular alternative to help celebrate that special day. **(min 6qty)**

Macaroons

French style macaroons are a taste of heaven. Two almond meringue based biscuits, each with a thin shell exterior and a delicate almost chewy centre, sandwiched together with creamy exotic fillings.

(packs of 24)
(assortment pack of 36)

3.5" inch Cakes

Individual petite size cakes. Great dessert option for any dinner party. **(min 6qty)**

5" inch Baby Cakes

Individual miniature size cakes. Very cute and a great size to perhaps have two or three, giving your guest an option to select from. **(average 6-8 pieces)**

9" or 12" inch cakes are great for any event. These cakes come heavily decorated. Not only do they taste good but seriously look impressive. **(average 16 pieces)**

Slab cakes Are great for catering any large group or event. These cakes are 30cm x 40cm and around 5cm high. They are designed to be portioned easily into **(40-60 pieces)**
